

How to Become a SHPE Los Angeles Member?

Membership Packages

Recent Graduate (FREE) - For persons who qualify for regular membership and have graduated less than six (6) months ago. This person will receive a one year free membership and is entitled to all mentioned above.

Graduate (\$15.00) - Student membership is open to all engineering, math, physical, applied, and computer science majors. All others are invited to become associate members. Graduate students have the option to join SHPE either with a Student or Professional Chapter or Region At Large. If you choose not to be affiliated with a Student Chapter on your campus or a Professional Chapter in your area, you will be considered an "At-Large Member," classified by your geographical region. Members "At-Large" receive the same benefits as those who belong to a chapter.

Professional (\$65.00) - A Regular/Professional member shall be a person who at a minimum holds an engineer-in-training certificate or a bachelor's degree in any discipline of engineering, engineering technology, mathematics, physical science or a mathematically based science field. Six years of experience as an engineer or in a mathematically based science field or engineering educator may be substituted for the bachelor's degree. Regular/Professional members shall be entitled to cast one vote in elections of officers and all business that the Board of Directors refers to the membership. Regular/Professional members may hold a Board position.

Associate (\$55.00) - An associate member shall be a person who believes and supports the purpose of this corporation. He/she shall not be entitled to nominate, vote nor hold a position in the Board. Associated members shall be extended all privileges of a Regular/Professional member less those exempted above.

Lifetime Associate (\$800.00) - A Lifetime Associate member does not qualify for Lifetime Professional status but supports and encourages the members, purpose, and mission of SHPE. Membership dues for lifetime members will be waived in perpetuity.

Lifetime Professional (\$1000.00) - A Lifetime Professional member shall be a person who at a minimum holds an engineer-in-training certificate or a bachelor's degree in any discipline of engineering, engineering technology, mathematics, physical science or a mathematically based science or technical field. Six years of experience as an engineer or in a mathematically based science or technical field or engineering educator may be substituted for the bachelor's degree. Membership dues for lifetime members will be waived in perpetuity.

SWE Joint Membership (\$130 for new applicants / \$110 for renewal) - Joint membership with SWE further promotes an inclusive environment with SHPE and SWE. The goals of this important partnership

program are to improve networking opportunities and expand professional development programs for Hispanic women engineers. This is a discounted rate available for those who wish to join both organizations. For more information please visit the [SWE Membership website](#).
